Brewers Volunteering Update – 3/2/10

We are in the middle of training for working Brewer games this season. A number of people have already gone to Miller Park for their training, and a number of others are already signed up to go for training in the next 2 weeks. Thanks for all of your dedication as we do this work for our school and our students!

I am still looking for more people to join us in the trainings and eventually volunteering time at Miller Park this spring and summer. Being school families (and all a family of believers here at Calvary) gives us a great opportunity to work together to support the Christian Education that we offer. We certainly do that with our first fruit offerings to church and our payment of school fees to school. However, this special work allows us to support non-budgetary items that we would not necessarily be able to do without this work. I challenge each of you to see if you could set aside some time in your busy schedules to benefit the students of our school in this way. You can still sign up for training. We can definitely use your gifts!

We have spaces yet available for trainings next Monday (3/8) and next Wednesday (3/10) both at 6 pm sharp at Miller Park. We will try to caravan together leaving Calvary at 5 pm. Please consider signing up for either of these trainings.

Finally, our first two games that we work are during Easter Vacation (4/6 and 4/9). We need to fill these times up soon to get our roster in to the Brewers. Please consider signing up for games to work on the board outside the school office. Thanks for your cooperation in this venture, and I look forward to working with each of you this summer!

You may contact me about any questions you have or to sign up for a training session on March 8th or March 10th.

Mr. Neil A. Schlieve - Brewer's Volunteering Coordinator
