MISSIONS- This year our mission offerings will support Point of Grace on the UW-M campus. Pastor Limmer offers worship and Bible study opportunities for the college students on campus, as well as for people from the community. We will hear from this ministry at various times throughout the year to connect with this mission and where our support is going. Please remember to send

your mission offerings with your children on Fridays for chapel. It is our goal to collect \$1,500.00 to help support this great ministry. Our mission offering collected last week was \$43.35, making our total \$151.94.

SCHOOL THEME- This year our school theme is *“In Christ Alone.”* As we move along throughout the school year, let’s all remember that without Christ we are nothing! With Christ we can do amazing things! May our gracious God bless us this school year as together in Christ we honor Him in all we do!
